- mining companies
- coast guards
and more...

"It is by far the best device to place a line over the high wall of the pit to deploy power cables, pipeline and stability devices."

Bill Angell, Senior Mine Engineer
Fairbanks Alaska

"We used the launcher on 2-15-11 to replace a power line that went down across the McKenzie River. I fired 3 lines successfully and we restored power."

John Lay,
Line Crew Leader II
Eugene Water
and Electric Board

"We have been using one of our Bridger line guns for over 25 years and they are far superior to anything that has come along since."

Mark Cameron, Fire Captain
Airport Fire Station 21
Cal Fire San Luis Obispo Unit
