EXPORT TERMS, SUBJECT TO QUOTE INCLUDING SHIPPING: DAP (Incoterms 2010) Payment in full required prior to shipping. Terms subject to acceptance and completion of Naval Company Export Agreement. You may request a QUOTE for any order; initial quote will not include shipping and insurance costs. If your inquiry is serious, a formal quote complete with shipping and insurance is available.

For all orders of “dangerous goods” there is a handling fee of \$30 per shipping carton up to a maximum of \$350. Request Export Application/Agreement if interested in purchasing. NOTE: Some orders “may” require a DSP-5 Export License and/or a DSP-83 Non-Transfer and Use Certificate from the End-User, depending upon country and quantity. Buyer must agree to supply necessary documentation if requested.

Please request a quote from sales@navalcompany.com for all exports. The Bridger™ Line Throwing Gun is to be used ONLY for life-saving, construction and civil applications; it is not for militant purposes. NEVER remove canister from line gun; firearm classification by U.S. government would change to illegal weapon!
